Dear Colleague,

**Hill's Pet Nutrition Quality Assurance**

At Hill's, we do not make any compromise on quality or safety of our ingredients, nor our formulations. To ensure our nutrition provides at all times the best possible benefits for the health of the pet we work exclusively on the basis of fixed formulas with tested ingredients coming from qualified sources. Our precisely balanced formulas do not change to fit the availability of cheaper, lower quality ingredients. Hill's products do not contain meat ingredients from China or Ireland.

If you require any further information or assistance, please do not hesitate to contact me.

Regards,

Dr. Karen L. Johnston BA(Econ), VMD, MRCVS, PhD
